**Fall Parties** Our school will be having our Fall Parties on Friday, October 27 in the afternoon. We do allow the kids to dress up in their Halloween costumes (no face paint, gory costumes, or things with weapons) to have a grade level costume parade. We will also be enjoying some snacks and activities.

**Box Tops** Please collect box tops for our classroom challenge from PTA all school year!

**Stoplight Charts** Please check and sign your child's stoplight chart each night. We will form a routine to fill out their agenda book daily, but they will be responsible for filling them out daily. I will collect them on Fridays so they don't come up missing over the weekend.

**School Treats** Unfortunately we are no longer allowed to permit homemade treats at school. Due to all the allergies and health concerns of our students the nutrition labels must accompany any treats you might bring to school for birthdays or parties. Cupcakes and cookies are still fine to bring but we would encourage you to bring healthy snacks as well. Some examples might be cheese and crackers, cereals, carrots and dip, etc.
